

Share your Love of the Ocean and its many Wonders

Be a Marine Youth Ambassador at S.E.A. Aquarium

Join us in spreading knowledge and raising awareness about marine conservation among members of the public, right here on the biggest platform for these issues, in S.E.A. Aquarium. Our Marine Youth Ambassador Programme is a 5-day stint that is open to students aged 15 to 16 years old, with opportunities to develop effective communication skills and gain work experience in a truly unique environment.

Marine Youth Ambassador Programme comprises

- 1-day training
- 5-day attachment, during which ambassadors will be stationed at key locations to interact and engage with visitors

Benefits

- Mentoring by trained educational facilitators
- Learn more about marine biodiversity and conservation
- Educate the public on issues pertaining to life in the Ocean

Requirements

- Aged 15 to 16 years old
- Recommendation by teacher-in-charge
- Interview by S.E.A. Aquarium educational facilitators
- Able to complete the training and attachment
- An administrative fee of \$35 for each successful candidate applies (all meals will be provided, along with one T-shirt)

Interested parties, please approach your teacher-in-charge.
