

How do we get to our mission?

**Explore:**  
by supporting researchers and scientists who are dedicated to increasing our understanding of the ocean.

Partnering with researchers – James Cook University Singapore

Shark facts shared by researchers from James Cook University Singapore

How do we get to our mission?

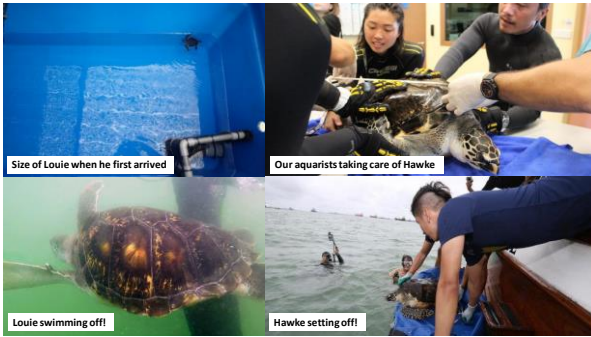

**Protect:**  
by leading and supporting conservation actions that will directly impact and improve ocean health.

Rescued Sea Turtles Louie And Hawke Return To The Wild

Louie the Green Sea Turtle

Hawke the Hawksbill Turtle

### Blue Committee

**Objective:** To provide a platform for TM's to take conservation actions and promote sustainability within the resort

Aquatic Safety	Conservation (Administering)	Consumer Insights	Park Services	Entry Ops	Attractions Ops

### Blue Committee Efforts

Sustainability sharing to new hires

Back of House Recycling Bin Initiative

A Key Project: "No Straws – Save Marine Life Campaign"

A collage of four images related to the 'No Straws – Save Marine Life Campaign'. Top left: A group of people at a social gathering. Top right: A poster with the text 'NO STRAWS Save Marine Life THANK YOU for supporting this meaningful initiative'. Bottom left: A group of people at a table. Bottom right: A group of people holding a blue banner that says 'HEALTHY OCEAN HEALTHY US!'.

No Straw – Save Marine Life Campaign

Green Efforts within Attractions

- Green alternatives
- Messaging
- Waste Segregation

Reusable cups for beverages

Recycling bins

Carton box water

Say No to straws!

An infographic with a central circular arrow containing the text 'Green Efforts within Attractions' and a bulleted list: 'Green alternatives', 'Messaging', and 'Waste Segregation'. Surrounding this are four images with labels: 'Reusable cups for beverages' (a cup), 'Recycling bins' (bins with 'RECYCLING' and 'PLASTIC' labels), 'Carton box water' (a carton box), and 'Say No to straws!' (a 'THANK YOU' poster).

How do we get to our mission?

Educate:  
by activating a movement of enthusiastic people who are inspired to take action.

A photograph showing a group of people, including children in yellow shirts, gathered around a table, engaged in an activity.
